dyslexia awareness film  
in history.

# Just Teach Me

Around the world, communities are struggling to improve declining literacy rates.

Schools and teachers are looking for resources and training. Children are looking for instruction that works for them... and support.

## We want to help.

This year's dyslexia awareness pack is filled with FREE resources to assist schools and families, in helping children become better readers.

Because we believe when you help struggling readers, you change lives.

## Be part of the change.

# 5 Facts About Dyslexia

1. As many as 10 – 20% of people have dyslexia.
