## To Make

1. Print onto light weight card.

2. Cut out the letter cards.

## How to Play

1. Shuffle the letter cards and put them in a pile.
2. Players take turns picking a card, and read the letter aloud.
3. Put the letter card on top of the matching picture.  
If the player puts the card on the wrong picture, help them read the letter then put the card back in the pile.
4. Keep going until there is only one picture space left in a row or a column. Put a small reward like a chocolate or a jellybean on the space.
5. The next player who completes the row or column, gets the reward.

The Smarty Game is a board game for 2-3 players.  
It is suitable for younger children at an early stage in their phonic development.
